

1672 '99 SEP -9 10:02

Dear Dr. Hebbet,
We are writing to inform you we are in favor of the
FDA approving claims filed for Saw Palmetto
& the symptoms of benign prostatic hyperplasia
psyllium husk seeds & the risk of heart disease, folic
acid, vitamin B6 and Vitamin B12 & cardiovascu-
lar disease, and vitamin E and the risk of cardiovascu-
lar disease.

Thank you,
